

## Chocolate Martinis

All things chocolate will be the topic of this week's article. I have had so many requests at my home bar for a variety of chocolate cocktails I thought I would include several for you to try.

Many of these recipes are variations of classic drinks with a sweet twist.

### Chocolate Kosak

1 oz. Vodka  
1 oz. Crème de Cacao  
½ oz. Kahlua  
3 oz. Chocolate Milk

### Chocolate Martini

1 oz. Vodka  
1 oz. Godiva White Chocolate Liqueur  
Shake and Strain  
Garnish with a Hershey's Chocolate Kiss in the bottom

### Chocolate Martini 2

1 oz. Vodka  
¾ oz. Crème de cacao light  
¼ oz. Stolichnaya Vanila Vodka

### Chocolate Wakeup

¾ oz. Vodka  
½ oz. Crème de cacao  
¼ oz. Amaretto  
¼ oz. Frangelico  
¼ oz. Kahlua  
shot of espresso  
Shake alcoholic contents well  
Add espresso shake once and serve

Feel free to garnish with chocolate syrup on the glass to provide neat edible designs in the drink. Also shaved chocolate with sugar makes a great rim.
